Dear Mr. Danner:

Please find attached copies of revisions for G-12 Tariff Number 4 for Rabanco Ltd. (dba Allied Waste of Lynnwood, Lynnwood Disposal, Maltby Division). This proposed change in the tariff reflects the change in the commodity credit for single family residential customers in the Service Areas defined in Appendices A and B from a credit of \$2.97 to a credit of \$1.72 per month and for multi family customers, from a credit of \$1.28 to a credit of \$0.74 per yard. Enclosed are the accounting work papers. In addition, please find a Less than Statutory Notice request asking that the rates become effective August 1, 2012.

Lynnwood Disposal here notes that because this general rate filing affects rates currently subject to suspension in Order No. 1, TG-111993, In Re: WUTC v. Rabanco, Ltd. d/b/a Lynnwood Disposal, G-12, (Dec., 2011), involving recycling revenue share accounting, it is hereby asking that the Commission expressly permit this filing, pursuant to RCW 81.04.130, to be evaluated and formally acted upon despite the current suspension order in the prior revenue share proceeding.

If you have any questions please call me at (253) 239-8858.

Sincerely,
