Dear Mr. Danner:

Qwest Corporation d/b/a CenturyLink QC is forwarding for filing the replacement sheets listed on Attachment A. These replacements are associated with the filing to introduce the new Qwest Corporation d/b/a CenturyLink QC Interconnection Services Tariff WN U-46.

Replacement No. 2 adds language to the Title Sheet regarding the cancellation of the Interconnection Service Tariff WN U-42 and removes the asterisk. The asterisks that appeared on Sheet 1, Section 1 have also been removed.

This filing also eliminates the language on Sheet 18, Section 3 and reserves the sheet for future use. The language that appeared on Sheet 18 was a duplicate of the language on Sheet 19.

CenturyLink QC is adding Section 4, Service Provider Number Portability Service. This section was inadvertently left out of the original filing.

The requested effective date for this filing is August 7, 2012.

If you have questions concerning this replacement please contact me.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds". The signature is written in a cursive style with a large, sweeping flourish at the end.

Mark Reynolds
