Olympia, WA 98504-7250

RE: Petition for forbearance from Auto Transportation regulation.

Dear Mr. Danner:

The attached document corrects the name of the field that the Seahawks play in. In my original request I called the field Quest Field. Staff has advised that the new name of the field is CenturyLink Field. I have made this name change on my request. Please accept this change and don't redocket

Sincerely,

Richard Johnson
