RE: Docket No. UE-121194 (Advice No. 2012-21) - **Do Not Redocket**
Substitute Tariff Filing – Filed Electronically

Dear Mr. Danner:

Puget Sound Energy, Inc. (the “Company”) hereby submits in connection with Docket No. UE-121194, the following substitute tariff sheet to replace one of the tariff sheets filed on July 17, 2012, under the Company’s Advice No. 2012-21. This substitute filing is pursuant to RCW 80.28.060 and Chapter 480-80 WAC and includes the following portion of the Company’s WN U-60, Tariff G for electric service.

4th Revision of Sheet No. 53-d – Street Lighting Service (Continued)

The purpose of this filing is to clarify that the energy use of light emitting diode street lights is not required to be the same as that of high pressure sodium street lights. This substitution is provided for in WAC 480-80-111 as it does not contain any changes to terms or conditions already in effect or increase rates. The tariff sheet described herein reflects the original issue date of July 17, 2012, and the original effective date of September 1, 2012.

Please contact Lynn Logen at (425) 462-3872 or at lynn.logen@pse.com for additional information about this filing. If you have any other questions please contact me at (425) 462-3495.

Very truly yours,

Tom DeBoer
Director, Federal & State Regulatory Affairs
