FOR VIOLATIONS OF LAWS AND RULES

AUG 03 2012

PENALTY ASSESSMENT: TG-121205

PENALTY AMOUNT: \$2,300

WASH. UT. & TP. COMM

PULLMAN DISPOSAL SERVICE, INC.
PO BOX 619
PULLMAN, WA 99163

The Washington Utilities and Transportation Commission (Commission) believes that you have committed violations of Washington Administrative Code (WAC) 480-70-236(1), which states that a company cannot assess rates and charges for solid waste collection service that are higher, lower or different from those contained in its tariff.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for every such violation. Under this statute, each and every violation is considered a separate and distinct offense and, in the case of a continuing violation, each day the violation continues is considered a separate and distinct violation.

Commission staff investigated a self-reported overcharge, and identified a number of violations of WAC 480-70-236(1). As a result, the Commission hereby notifies you that it has assessed penalties against you in the amount \$2,300 for the following 23 violations:

- Improper billing for solid waste collection service.
23 VIOLATIONS: WAC 480-70-236(1)

This information, if proved at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violations did not occur, you may request a hearing to contest the penalty assessment. If there is a reason for the violations that you think should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty. See RCW 81.04.405.

You have the right to present your request for review or mitigation at a hearing, but you are not required to do so. If you do, the Commission will review the evidence supporting your request in an informal hearing, called a Brief Adjudicative Proceeding, before an administrative law judge. The administrative law judge will consider your plea and notify you of his or her decision.
