Re: Fuel Surcharge Filing TC-121811

Mr. Danner:

Please find the attached Replacement Page "Fuel Surcharge Tariff Supplement" for Fuel Surcharge Filing TC-121811. I was instructed by WUTC Staff to change the original filing date for the previous replacement page from November 14, 2012, to November 15, 2012, and to modify the Effective Date shown from December 13 to December 15. However, the attached Replacement Page "Fuel Surcharge Tariff Supplement" now contains a filing date of November 14, 2012, and an Effective Date of December 14, 2012. You will find the original filing date of November 14, 2012, for this Fuel Surcharge request to be consistent with all other pages of Fuel Surcharge Filing TC-121811 and the actual date the filing was received by the WUTC. I am requesting that all other documents and pages contained within TC-121811 be accepted and the requested LSN Effective Date of Monday, November 19, 2012, be approved for this filing.

Thank you for your consideration,

Sincerely,

John Fricke
