RE: Interconnection Agreement between Frontier Communications Northwest Inc. and Lightspeed Networks Inc., d/b/a LS Networks, Docket No. UT-123007

Dear Mr. Weidman:

On May 21, 2012, Frontier Communications Northwest Inc. and Lightspeed Networks Inc., d/b/a LS Networks (Lightspeed) filed with the Washington Utilities and Transportation Commission (Commission) a request for approval of an interconnection agreement. The agreement is a delegated item scheduled for approval by August 19, 2012.

WAC 480-07-640 requires interconnection agreements be submitted for approval within 30 days after they are signed. The last signature appearing on the interconnection agreement is dated March 30, 2012; therefore, the interconnection agreement was filed 22 days late. The Commission reserves the right to investigate and, if appropriate, commence a separate proceeding to complain, enforce, and penalize Lightspeed for failure to meet the filing requirements.

For further information, or if you have any questions, please contact Kristen Russell at krussell@utc.wa.gov or (360) 664-1281.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
