To Whom it May Concern,

My husband and I have been living on Northport Flat Creek Road for over 10 years. We have not had garbage service in the entire time we have lived in our current resident. It has been a hardship to haul our garbage to the local dumpsites in Northport and Kettle Falls.

We would great appreciate a garbage service on our road if one becomes available in our area.

Thank you!

To Whom It May Concern:

We live on the Moore Road which is 12 miles from Northport and 22 miles from Kettle Falls. We have no garbage service and would really like to have garbage service out here. It is such an inconvenience to have to save up our garbage in cans and then find the time to go to the dump every few months.

Thank You

Sincerely,

Sandra Sodam

To Whom It May Concern;

We live at 3017 Northport-Flat Creek Rd., approximately 15 miles from Northport and 20 miles from Kettle Falls and have no garbage service in our area. We are interested in getting garbage service if it were available as we find increasingly difficult to find the time to travel to the county landfill 20 miles from our home. It would be beneficial to our schedules if we had a local garbage service provider.

Thank you for this consideration.

**From:** Don Guglielmino  
**Re:** Garbage Service on Northport Flat Creek Road  
**Date:** April 18, 2011

On behalf of my company, **Bull Hill Guest Ranch**, I am writing to you in hopes you'll be able to assist us with a garbage service on the Northport Flat Creek Road. Opened in 1995, our business has grown dramatically through the years, where today we employ up to 12 employees (seasonal basis) and host an average of 20-25 guests per day (May-Oct).

We currently do *not* have a garbage service in our area and due to our remote location, and limited manpower and transportation/vehicles, we are in dire need of a garbage/pickup service. We have called numerous people throughout the area, including other garbage service companies and have had no luck in identifying any company and/or individuals that are able to provide service in our area. We live approximately 14 miles south of Northport and approximately 30 miles from Kettle Falls.

Due to the nature of our business, we must be onsite during operating hours (8am-8pm) daily, which makes it extremely difficult to haul our own garbage into Kettle Falls or Northport (the nearest landfill depository).

We desperately need this service, and with the growing number of individuals and families that now live along the Northport Flat Creek Road (the Guglielmino's alone comprise five households in the area), it is critical that this service be provided, not only for sanitary purposes, but for the safety and welfare of all concerned.

Thank you.

To whom it may concern

I am writing this letter, We are interested in receiving garbage service in my area.

We live 14 mile from town @ 1454 Evans Cut off Evans Wa. 99126

I feel it would be a great help to my elderly neighbors to have service in our area.

Thank you

Willie and Stacy Burke

To Whom it may concern

I live on the 1984  
Williams Lk. Rd and  
there is no established  
route at this address.  
I would appreciate  
garbage pickup.

Thank you  
Colony Lazzarini,

To whom it may concern at LTC:

Changing health for both of us has caused me to try to locate a garbage pick-up service. Mike and Leann Lamb have a pick-up service located in Northport, WA. with a limited area as far south as the community of Marble. From that point south to Marcus there is no pick-up service.

Their truck travels south from Northport on Hwy 25, right past my place, on its way to the land fill in Hettle Falls. This leaves 15-20 miles with no service.

Lamb's need to be given the opportunity to offer service to folks on that 30 mile stretch of Hwy 25.

Thank You,  
Nancy L. Beck

WUTZ,

We do not have Garbage Service  
in our area (1864 Onion Creek Rd Calville)  
I need assistance to get my refuse to  
the Dump. Also my neighbors would take  
advantage of this service because of the  
wolves (F.E. BEAR) that are attracted to  
the garbage & smell. This Service would  
help the community immensely

Sincerely,

Jana Floyd

To Whom it may Concern:

My Name is Kathy DuCote,  
I Live at 2062 Onion Creek Rd, Colville, Wa  
We do not have any garbage service in  
our area, and we really could use it!  
I have trouble getting my trash to the dump  
as I don't drive.

I have to ask friends or neighbors to  
help me. I have to worry about storing  
my trash, and keeping bears out of it,  
until I can get someone to help get it to  
the dump. Garbage service would be a  
life saver for a lot of people in our area.

Thank you  
Kathy DuCote
