Re: Docket No. UE-131217

Dear Mr. King:

Attached for filing with the Commission is an electronic copy of Avista Corporation's dba Avista Utilities ("Avista or the Company") filing of its proposed substitute revision to the following tariff sheet, WN U-28:

Substitute Third Revision Sheet 90B Canceling Second Revision Sheet 90B

Avista Corporation, doing business as Avista Utilities (hereinafter Avista or Company), at 1411 East Mission Avenue, Spokane, Washington, respectfully proposes revisions to Schedule 90 "Electric Energy Efficiency Programs." The purpose of this substitute revision is to include content that was inadvertently left out of the original filing.

The language that should have been included in Sheet B is as follows:

All other project incentives calculated under the tier structure will be capped at 50% of incremental project cost. Incentives for efficiency measures within the following categories shall not exceed 100% of the incremental cost:

Notice to the public of the proposed revisions, pursuant to WAC 480-100-195(2), will be given simultaneously with the filing of this Application by posting a notice to the Company's Website.

Please direct any questions on this matter to Bruce Folsom, Director, Energy Efficiency at (509) 495-8706 or myself at (509) 495-4975.

Sincerely,

/s/Linda Gervais/
