RE: Single item filing – Revenue increase via Yard waste disposal price increase to Rabanco LTD & Rabanco Recycling, Inc. (dba Eastside Disposal, Container Hauling, Rabanco Companies, Rabanco Connections, Issaquah Division).

Dear Mr. King:

Enclosed please find updated tariff pages for G-12 Tariff Number 11 for Rabanco LTD & Rabanco Recycling, Inc. (dba Eastside Disposal, Container Hauling, Rabanco Companies, Rabanco Connections, Issaquah Division). The subject of this filing is an increase in revenue directly equal to an increase yard waste disposal fees the compost facility.

As stated in the original filing we have requested, pursuant to WAC 480-07-110, an exemption from the general rate case filing and workpaper requirements (per WAC 480-07-520) in order to allow Eastside Disposal to file a rate case seeking increase in its general rates due to the imminent increase in Cedar Grove yard waste disposal fee for all affected customers. Filed previously was the Cost of Services analysis on the impact of the proposed rates. We are asking that this change become effective on November 1, 2013.

If you have any questions please don't hesitate to contact me.

Sincerely,
