RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-140996

Dear Sir or Madam:

As you are aware, on June 6, 2014, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Urban Logistics, Inc. in the amount of \$1,000 for violation of WAC 480-15-480, which requires household goods carriers to file an annual report with the Commission and pay regulatory fees by May 1 each year. Urban Logistics, Inc. failed to file its annual report for 2013 or pay 2014 regulatory fees and has incurred a penalty of \$1,000. The Commission sent Urban Logistics, Inc. a Final Notice on July 26, 2014.

The Commission has not received the \$1,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$1,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
