RE: Docket TC-141124—San Juan Transit Tours and Charters, LLC (Cert. C-1006)

To Whom It May Concern:

I wish to comment on the pending application from San Juan Tours and Charters, LLC (“SJT”) before the Commission. I am the Administrator for the Town of Friday Harbor, WA. SJT is a valued and important part of our community and provides a much needed service in support of our tourism industry.

As you are aware, San Juan Island and the Town of Friday Harbor are accessible only by boat or plane. During the summer months the cost of driving or flying to the island is prohibitive for some families. We rely on our ferry walk-on traffic to minimize the wait-lines and inconvenience for people travelling here from Anacortes. SJT provides transit opportunities to visitors without cars and expands the range of activities we offer as a community.

The Town of Friday Harbor supports the SJT request for forbearance from service and rate regulation and to expand the number of recreation related sites to which they will provide service.

Dated this 30th Day of June, 2014
