RE: DOCKET UE-143867
Updated Washington Avoided Cost Schedule
Tariff WN U-28, Electric Service

Attached for filing with the Commission is one copy of the Company's proposed tariff revision:

Substitute Eighth Revision Sheet 62 Canceling Seventh Revision Sheet 62

In discussion with Commission Staff, it was determined that the avoided cost shown in the originally filed tariff was incorrect. Substitute Eight Revision sheet corrects for this error, and the Company appreciates Staff's thorough review.

A copy of the workpapers supporting the Company's request is enclosed with this filing. Avista requests the tariff revision to become effective January 1, 2015. If you have any questions regarding this filing, please contact me at 509-495-8620.

Sincerely,

A handwritten signature in black ink that reads "Patrick Ehrbar". The signature is fluid and cursive, with a long horizontal stroke at the end.
