Dear Fragaria Landing Water Company Customer,

Fragaria Landing Water Company is being sold to and merged into Iliad Water Services, Inc. Your monthly rates for water service will not change as a result of this transaction for the foreseeable future.

Iliad Water Services, Inc. has been providing water service in the State of Washington since 1992. Iliad Water Services, Inc. currently serves water systems in Snohomish, Pierce and Kitsap Counties. Commission staff will make a recommendation to the Commissioners at an open meeting in Olympia, which is scheduled for 9:30 a.m. on May 28, 2015. You will have an opportunity to comment in person at this meeting. If you are unable to attend the open meeting, the Commission has a bridge line which enables you to participate by telephone.
