RE: *Washington Utilities and Transportation Commission v. Broadband Dynamics, LLC*

Staff's Request to Rescind Penalty Assessment UT-150800

Dear Mr. King:

On June 2, 2015, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UT-150800 against Broadband Dynamics, LLC for 10 violations of Washington Administrative Code (WAC 480-120-382), which requires telecommunications companies to furnish annual reports to the commission no later than May 1 each year.

The company submitted an incomplete annual report on April 30, 2015. Commission staff emailed the company on May 1, 2015 as the submission was missing the balance sheet. Broadband Dynamics responded via email to commission staff providing the required balance sheet on the same day. Commission staff did receive the email but failed to process the report as complete within the Annual Report Tracking System (ARTS) resulting in the company being included on the companies in violation listing. As Broadband Dynamics, LLC timely filed its completed 2014 annual report on May 1, 2015, staff recommends that the assessed penalty be withdrawn and the docket closed.

If you have any questions regarding this recommendation, please contact Amy Andrews, Regulatory Analyst, at (360) 664-1157, or [aandrews@utc.wa.gov](mailto:aandrews@utc.wa.gov).

Sincerely,

Sondra Walsh, Director  
Administrative Services
