Subject: No More Party Bus

Hello Everyone,

We are no long perusing the party bus business. The bus flunked the inspection big time. The other issue was the long list of operation requirements the inspector went over, including health card checks, drug testing, employee files, annual maintenance checks, etc., and all the fines imposed if these requirement are not met. Being that this was going to be a very part-time business I was confident that we'd screw it all up.

We've been very pleased with your counsel. Please send us the bill for the balance owed. It has been a pleasure doing business.

Cheers,

Keith Foe, CFA[®], CPA, CFP[®], CLU[®]
