BACKGROUND

1 On December 18, 2015, Sinergy Networks filed with the Washington Utilities and Transportation Commission (Commission) an application for registration and petition for classification as a competitive telecommunications company in Docket UT-152370. The application and petition do not comply with the rules set forth in WACs 480-120 and 480-121.

FINDINGS AND CONCLUSIONS

2 Sinergy Networks is not currently registered as a corporation with the Secretary of State's office. It's application and petition are therefore not in compliance with the rules set forth in WACs 480-120 and 480-121 and should be rejected.

ORDER

3 **THE COMMISSION REJECTS** the application and petition of Sinergy Networks in its entirety. This Order does not preclude Sinergy Networks from filing a later application and petition for registration as a competitive telecommunications company.

4 The Commissioners, having determined this Order to be consistent with the public interest, directed the Secretary to enter this Order.

DATED at Olympia, Washington, and effective January 14, 2016.
