Re: TV-160322– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG067092

Dear Mr. Fisher:

On March 21, 2016, Benjamin Leo Fisher, d/b/a Ben The Mover Guy, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. The Commission provisionally grants your application. Benjamin Leo Fisher is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Benjamin Leo Fisher qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Operate for at least six months.
2. Personnel responsible for company management and operations must attend a Commission-sponsored training class to learn about the consumer protection rules, safety regulations, and industry-wide tariff provisions that apply to your business. You must sign up for training on the commission's website at www.utc.wa.gov/hhgtraining. Click on the "Online Registration Form" and complete the required fields.
3. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
4. Complete a criminal background check on each person Benjamin Leo Fisher employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any

of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.

5. Pay any outstanding monetary penalty or fee owed to the Commission.
6. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of Benjamin Leo Fisher's provisional permit, Tariff 15-C, and the Commission rules governing residential household goods carriers. Please review these documents carefully. The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule, or tariff provision.

Also enclosed is a consumer survey to assist the Commission in evaluating Benjamin Leo Fisher's application. Please provide a copy of this survey with return postage to each of the company's customers.

If you have any questions, please contact Ms. Tina Leipski at 360-664-1170. She also can be reached by email at tleipski@utc.wa.gov.

Sincerely,

David Pratt
Assistant Director, Transportation Safety
