I. INTRODUCTION AND BACKGROUND

4 In accordance with WAC 480-100-238(4), PacifiCorp is required to submit its
IRP within two years of the date on which the previous IRP was submitted. The 2015
IRP was submitted with the Commission on March 31, 2015, which means the deadline
for the new 2017 IRP is March 31, 2017. The Company needs two additional working
days to finalize the preparations of its IRP filing, and is requesting an extension to submit
the IRP filing by April 4, 2017.

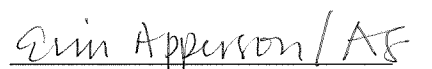

5 To ensure that future IRP cycles are not affected by this filing extension,
PacifiCorp is planning to submit future IRPs by the March 31 date in future years.

II. CONCLUSION

6 Due to the foregoing, the Company requests a waiver of WAC 480-100-238(4) to
be able to submit its 2017 IRP by April 4, 2017.

DATED: this 17th day of March 2017.

Respectfully submitted,
