RE: Commodity Credit Adjustment for Tariff Number 8, Certificate Number G-98,  
Pacific Disposal and Butlers Cove Refuse Service.

Dear Mr. King:

Attached please find revised pages for Tariff Number 8, as well as supporting documentation for the commodity credit adjustment. Tariff pages 1, 21 and 24 are affected by this change.

The residential credit will decrease from \$1.00 to \$.40, a decrease of \$.60 (60%) per customer, per month. The multi-family credit will decrease from \$.62 to \$.36, a decrease of \$.26 (42%) per customer, per month. Pacific Disposal and Butlers Cove Refuse Service do not currently participate in any county revenue share program.

If approved, by the Washington Utilities and Transportation Commission, the revised commodity credits will go into effect on July 1, 2016. The customers will receive notification of this change on the first billing reflecting the change.

If you have any questions regarding these revisions, please contact me at (360) 695-4923 or via email at [heatherg@wcnx.org](mailto:heatherg@wcnx.org); or Irmgard Wilcox at (360) 832-8749 or via email at [irmgardw@wcnx.org](mailto:irmgardw@wcnx.org).

Sincerely,

Heather Garland
