RE: *Washington Utilities and Transportation Commission v. Eastwood Park Water Co., Inc.*

Staff's Request to Rescind penalty Assessment UW-160529

Dear Mr. King:

On June 13, 2016, the Utilities and Transportation Commission issued a \$1,000 Penalty Assessment in Docket UW-160529 against Eastwood Park Water Co., Inc. for 10 violations of Washington Administrative Code (WAC 480-110-505), which requires water companies to furnish annual reports to the commission no later than May 1 each year, except when May 1 is a weekend, in which case the annual report is due by the next business day. May 2 was the next business day.

In Docket UW-150732 Rainer View Water Company, Inc., revised its Tariff WN U-2 reflecting a change which included adding Eastwood Park Water Co., Inc. to the list of their service area. This transfer was effective June 4, 2015 and Eastwood Park Water Co., Inc. is not an active company. Rainier View Water Company, Inc. completed their annual report on time and this report includes all of Eastwood Park Water Co., Inc.'s reportable information since the time of the sale. As such, staff recommends that the assessed penalty be withdrawn and the docket closed.

If you have any questions regarding this recommendation, please contact Sean Bennett, Regulatory Analyst, at (360) 664-1157, or sbennett@utc.wa.gov.

Sincerely,

Sondra Walsh, Director
Administrative Services
