NOTICE WITHDRAWING PENALTY

RE: Access One, Inc., Commission Staff's Request to Rescind Penalty Assessment
Docket UT-160539

TO ALL PARTIES:

On June 13, 2016, the Washington Utilities and Transportation Commission (Commission) issued and served a Penalty Assessment against Access One, Inc. (Access One or Company) in the amount of \$200, alleging violations of WAC 480-120-382, which requires telecommunications companies to file annual reports and pay regulatory fees by May 1 each year.

On July 7, 2016, Commission staff (Staff) filed with the Commission a Request to Rescind the Penalty Assessment. Staff explained that on April 28, 2016, the Company filed a complete annual report. Staff inadvertently marked the report as complete on the date Staff reviewed the annual report rather than the date it was filed.

Because the Company's report was timely filed and the Penalty Assessment was issued in error, the Commission withdraws the penalty assessed against Access One.

THE COMMISSION GIVES NOTICE that the Commission is withdrawing the penalty of \$200 assessed against Access One, Inc. and closing Docket UT-160539.
