Subject: Re: Charter name Change application

Go ahead and close it. We have ran up on financial issues.

I'm sorry to have not been more in touch with you.

Thank you Micheal.

Good morning. Do you have an update on this? If I don't receive insurance in your new companies name, I'm going to have to close out the application. It's been open for about 7 months now, unfortunately we can't keep applications open indefinitely.

Thanks
