RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-170419

Dear Sir or Madam:

As you are aware, on June 22, 2017, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Harrison-Ray Water Company, Inc. in the amount of \$500 for violations of WAC 480-110-505, which requires water companies to file their annual report and pay regulatory fees by May 1 each year. The Commission received a complete annual report on May 8, 2017, which is five business days late, resulting in a penalty of \$500. The Commission sent you a Final Notice dated August 23, 2017, indicating that the balance of \$500 was due.

The Commission has not received the \$500 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$500 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
