RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-170440

Dear Sir or Madam:

As you are aware, on June 26, 2017, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Comcast Phone of Washington, LLC in the amount of \$200 for violations of WAC 480-120-382, which requires telecommunications companies to file their annual report and pay regulatory fees by May 1 each year. Comcast Phone of Washington, LLC filed an incomplete annual report on May 1, 2017. On May 12, 2017, Comcast Phone of Washington, LLC filed a complete annual report, which was nine days late, resulting in a penalty of \$900. The Commission assessed a mitigated penalty in the amount of \$200. The Commission sent you a Final Notice dated September 22, 2017, indicating that the balance of \$200 was due.

The Commission has not received the \$200 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$200 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
