**RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-170477**

Dear Sir or Madam:

As you are aware, on June 27, 2017, the Washington Utilities and Transportation Commission issued a Penalty Assessment against PocketiNet Communications, Inc. in the amount of \$1,000 for violations of WAC 480-120-382, which requires telecommunications companies to file their annual report and pay regulatory fees by May 1 each year. On May 19, Commission Staff notified PocketiNet Communications, Inc. that its annual report was incomplete. To date, PocketiNet Communications, Inc. has not filed a complete 2016 annual report, and has incurred a penalty of \$1,000. The Commission sent you a Final Notice dated August 23, 2017, indicating that the balance of \$1,000 was due.

The Commission has not received the \$1,000 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$1,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN  
Senior Assistant Attorney General
