RE: Mitigation of fine for missing report...

Shawn Bennett:

Teton Stage Lines would like to request a review and/or help removing the outstanding Fine still owing in the amount of \$250.00 for a late filing of the annual report with the Washington UTC.

Teton Stage Lines has not conducted any interstate operations which would be subject to filings with the UTC for the past two years.

Additionally we have filed with the state of Washington the "Release of Authority for Cancellation" form and have received back from the UTC the Revocation letter dated 13 July 2017.

Your help in this matter would be appreciated.

Sincerely:
