Re: UE-180947 Avista Utilities 2019 Proposed Tariff Revision Electric Schedule 90

Dear Mr. Johnson,

On November 16, 2018, Avista Corporation's, dba Avista Utilities ("Avista or "the Company"), filed proposed revisions to its electric tariff WN U-28, Schedule 90 to incorporate provisions from Avista's 2019 Electric Annual Conservation Plan and provide several housekeeping updates. Upon review of the filing, discrepancies were found regarding which tariff sheets were on file electronically with the Commission. In its initial filing, the Company requested to cancel Second Revision Sheet 90 D, Second Revision Sheet 90 E, and Third Revised Sheet 90 F. These sheets were previously deleted per Docket No. UE-080076, effective March 3, 2008.

To simplify this filing, the Company hereby submits the proposed revisions to the following tariff sheets, WN U-28, containing a substitute sheet for 90B to request cancellation of Original Sheets 90G through 90O:

Substitute Fifth Revision Sheet 90 B Canceling Fourth Revision Sheet 90 B

Original Sheet 90I
Original Sheet 90J

Avista respectfully requests that these changes to tariff Schedule 90 become effective January 1, 2019. If you have any questions regarding this information, please contact me at 509-495-4975.
