COMMISSION

Dear Sirs:

Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc. (G-237); Tariff # 18; TG-190007

Enclosed are replacement pages for the above-referenced docket. These pages reflect a revised effective date of February 21, 2019. As this filing reflects an increase in the commodity credit to the customer (i.e. a rate decrease) we are requesting that the 45-day notice requirement to the commission be waived and allow the new rebate to go into effect on less than statutory notice (LSN).

Enclosed for your review and consideration is an LSN form requesting that revised rebate go into effect on February 1, 2019. Please do not re-docket.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
