iHaul moved me from Stadium district, Tacoma to McMillin, Puyallup. I was very satisfied with the service they provided. It took longer than any of us were expecting but they did get it all done in one day. My expanding kitchen table somehow got stuck half way expanded during transit. I was afraid they were going to just leave it but they didn't. They stayed after to make sure it was in working order before they left. I would recommend them to anyone moving to or from Tacoma or the surrounding areas. They were very pleasant to speak with and worked at a quick and efficient pace. They also arrived in a very nice, new moving truck.

STOP LOOKING AND BOOK THESE GUYS. THIS IS THE TEAM YOU NEED. First of all, the communication with Markiss is outstanding. Quick, clear, and concise info and talks to you like a friend. No tricks or catches- just a straightforward and stand up guy doing everything he can do to get you from A to B as quickly as possible. You guys I moved from Gig Harbor to Seattle and Markiss and his partner Levoy wrapped my stuff up to protect it, got everything secured in the truck, drove to Seattle, moved it all in, AND set up my bed frame in 4 hours!! Markiss even offered to take all the cardboard from my new furniture with him to recycle so I didn't have to haul it down to the garage dumpster by myself. A HERO. Just the greatest team- truly professional and kind gentlemen. I'd recommend them to everyone I know! It takes a special kind of businessman to make you feel like you're his most important client. Thanks Markiss and Levoy! You guys made this hectic transition so painless for me and I couldn't have done it without you!

I don't even know where to begin! These guys are FANTASTIC! I was drawn to their business because of the great reviews and those great smiles in the photo! I needed some help loading my truck as I was moving out of state. I had a bit of a personal situation but Markiss the owner worked with me to keep my mind at ease that they would do a great job in loading my truck.

I had a certain time line that I needed help and Ihaul came through with flying colors! They were on time, very professional and got the job done in a fast efficient manner. And the way they packed my truck was perfection!!! I was TOTALLY impressed!!

I want to thank them for doing such a fantastic job!! I've already passed on their information to other friends who will be moving soon! If YOU are moving soon or just need help loading or unloading these are the go to guys!! They will do a fantastic job!!! Thanks guys I appreciate you! I made it to my new home in a timeley manner because of you guys! Stay blessed!!

Thanks again!!

Markiss and Levoy did an amazing job helping us move. I called him Friday and he was able to fit us in with short notice for Tuesday. He answered gave me a quote and sent over an estimate to my email right away. They showed up right on time and packed everything all in one load very carefully but also in a timely fashion. We were going over on our estimated time slot so myself and mom got in there to help unload the rest. I got some pics of the two working and also some good advice from Levoy about his passion which is videography. Would definitely recommend and use in the future. Thanks you guys for a wonderful moving experience!

Markiss and his brother met me at the Old Cannery and loaded up a bunch of furniture we had bought. We called a number of movers and they were the only ones that were willing to work us into a tight schedule. they were prompt, courteous, and very hard working.

They also had the best prices of any of the movers that I contacted. I very highly recommend hiring them for any move that you have. I will definitely be hiring them again in the future.

These movers are superb! I had two gentlemen come and help me move. They were courteous. They took care of my

heavy and delicate furniture with such care. I recommended them to my neighbor at the time of the move. You quickly realize that they value customers' possessions. They were careful to not scratch items on doors and walls which I really appreciated. I recommend them 1000%.

I booked Markiss several weeks in advance to take away unwanted items while moving my daughter out of her duplex. He checked in with me closer to the date to confirm. He arrived on time and got right to work. I found out that he had had some issues that morning with his own truck, so he had to rent one. Also, his helper was not there so he did everything himself. He did not let these glitches in his plans affect our job in any way. He was quick, efficient and friendly...seems like a genuinely good guy. I would highly recommend him.

Love these guys!!! Quick on the quote, simple and straightforward communication and a great attitude. They were fast and very careful with our items. Gave me a quote and thats is exactly what they charged me. They seem to be just a couple of guys working hard to take care of their families. I would use them again and plan to recommend them to my friends. Thank you!

Better not have any unexpected changes to your move because, if you do, Markiss will ghost you, then, when you give up and hire another mover, suddenly become very available to tell you how disorganized you are. Can't tell you how his actual moving is since he passive-aggressively drove away our business.

We hired iHAUL based off of the glowing reviews here on Yelp and I can reassure you, all of the positive reviews are true. Markiss and Levoy were amazing to work with! They showed up on time and we got down to business with moving furniture right away. They were extremely efficient, friendly, and the cost for their services was very reasonable. If it were not for us moving out of state, I would hire them again for any future jobs. Thanks Markiss and Levoy for a stress-free moving experience!

I couldn't be happier with the service provided by iHaul. Markiss was there early and I am not at all exaggerating when I say you couldn't find a nicer guy. His vehicle was nice, and he took care of my couch move quickly and safely. I look forward to working with iHaul in the future.

LOVED this experience. Markiss and Le'Voy are a joy to be around! They showed up a couple minutes early; we got right to work, and we finished quicker than I'd thought we would. Markiss's professionalism is on point; his communication throughout the entire process was reassuring, friendly, timely, and accurate. He checked in a couple times when I wasn't expecting him to, which gave me a really good feeling, as he was obviously thinking ahead about our job. Super cool. Highly recommended.

Dear Mr. Cooper:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on www.facebook.com and www.yelp.com. You do not have a valid permit, as required by state law, to conduct this type of work. To avoid enforcement action, your complete household goods permit application, supporting materials, and application fee must be submitted to the commission by **March 6, 2019**.

Until you obtain a permit, you must immediately cease operating as a household goods mover in Washington State. Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**.¹ This means that you may receive this penalty for each day you operate in violation of the law.
