### **RE: Household Goods Moving in Washington State**

Dear Mr. Hirst:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on [amazingmovers360.com](http://amazingmovers360.com). You do not have a valid permit, as required by state law, to conduct this type of work. Conducting household goods moves requires a permit issued by the commission.

To avoid enforcement action, your complete household goods permit application, supporting materials, and application fee must be submitted to the commission by **April 4, 2019**.

**Until you obtain a permit, you must immediately cease operating as a household goods mover in Washington State.** Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**. This means that you may receive this penalty for each day you operate in violation of the law.

**You must also immediately cease advertising as a household goods mover in Washington State.** Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5,000 per violation**. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for household goods moving services from Amazing Movers 360.

**If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you.** Such action may include the above-mentioned financial penalties; and you will be served with a subpoena and be required to appear before a judge.

Again, to avoid enforcement action, your complete application, supporting materials, and application fee must be submitted to the commission by **April 4, 2019**.

If you have questions about the household goods laws, please contact Brian Braun, Compliance Investigator, at (360) 664-1129.

Should you decide to apply for a household goods moving permit, please note that you still may not operate as a household goods mover in Washington State until you have received a permit. To request a permit application, please call (360) 664-1222. You may also download an application from the commission's website at [www.utc.wa.gov/mover](http://www.utc.wa.gov/mover).

My estimate for moving you into your two bedroom apartment is between 4 and 6 hundred dollars. As the amount of things from house to house very usually we a well under our estimate. I just like to prepare people for the worst. We are 100 an hour which is 20 less an hour then our two local competitors. Please call 360 477 6816 or email me at [amazingmovers360@gmail.com](mailto:amazingmovers360@gmail.com) to schedule your move. I look forward to hearing from you.
