## ~!~ LOW RATE MOVING AND DELIVERY SERVICE...GREAT MOVING EXPERIENCE

We just completed our 5th major move and it was the best ever. Lonnie and his team arrived on time and went right to it. When it was looking like we were falling behind schedule, one phone call to HQ and we added another Mr Hustle and an additional small truck. At our first stop an elevator breakdown could have been a disaster, but not for this crew.

Just run the items to another elevator. At the last stop, the truck was unloaded by the same crew who started the day and they were still going strong. They were polite, professional, and focused on getting the job done as promised. I really appreciate their great work and highly recommend them.

### **RE: Household Goods Moving in Washington State**

Dear Artyom Yakimovich:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on craigslist.org. You do not have a valid permit, as required by state law, to conduct this type of work. Conducting household goods moves requires a permit issued by the commission.

To avoid enforcement action, your complete household goods permit application, supporting materials, and application fee must be submitted to the commission by **April 26, 2019**.

**Until you obtain a permit, you must immediately cease operating as a household goods mover in Washington State.** Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**.<sup>1</sup> This means that you may receive this penalty for each day you operate in violation of the law.

**You must also immediately cease advertising as a household goods mover in Washington State.** Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5,000 per violation**. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for household goods moving services from Yakima Brothers LLC.

**If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you.** Such action may include the above-mentioned

financial penalties; and you will be served with a subpoena and be required to appear before a judge.

Again, to avoid enforcement action, your complete application, supporting materials, and application fee must be submitted to the commission by **April 26, 2019**.

If you have questions about the household goods laws, please contact Brian Braun, Compliance Investigator, at (360) 664-1129.

Should you decide to apply for a household goods moving permit, please note that you still may not operate as a household goods mover in Washington State until you have received a permit. To request a permit application, please call (360) 664-1222. You may also download an application from the commission's website at [www.utc.wa.gov/mover](http://www.utc.wa.gov/mover).

### Jane S.

I would certainly recommend this company. We booked last minute they were responsive and put me at ease. Our access wasn't the best but the guys were super quick. You could tell they were very experienced. By far the most straight forward and easy moving experienced I've had to date. Have already told my mother who's selling her house about them hopefully they can have a repeat performance because I have nothing but good things to say.
