RE: Actual Results for the Quarter Ended September 30, 2019

In compliance with WAC 480-100-275, PacifiCorp dba Pacific Power & Light Company submits for filing the actual results for Washington operations for the quarter ended September 30, 2019. These results are based on unadjusted data and do not reflect normalized results or other standard ratemaking adjustments. The quarterly results of operations were determined using the West Control Area inter-jurisdictional allocation methodology. In Docket UE-170910, Order 01, the company was granted a 30-day extension of time to file these reports changing the due date from 60 to 90 days following the end of each quarter through the quarter ending October 1, 2022.

The company is also enclosing its Average Customer Count and kWh data for its Washington jurisdiction for the quarter ended September 30, 2019.

Please direct questions to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,

/s/
