### COMMODITY PRICE ADJUSTMENT NOTICE FOR MULTI-FAMILY CUSTOMERS

Dear Customer:

February 14, 2020

Murrey's Disposal Co., Inc. has filed a request for a correction to the commodity price adjustment (CPA) with the Washington Utilities and Transportation Commission (WUTC). We recently discovered the CPA was incorrectly billed to customers for the period of October 1, 2018 through August 31, 2019. The CPA was billed at a monthly frequency of one pick-up per month as opposed to the correct weekly pick-up frequency. This resulted in an under-recovery of the CPA for the period stated above.

Murrey's is requesting to recover an additional \$.99 per yard, per pickup per month to correct the under-recovered CPA. The correction will be shown as separate line item on your bill. If approved, the proposed CPA correction will become effective April 1, 2020 and will expire March 31, 2021.

If you have any questions regarding this CPA correction, please contact Murrey's Disposal Co., Inc. between 7:30 a.m. and 5 p.m. Monday through Friday.

Sincerely,

Management  
Murrey's Disposal Co., Inc.
