Re: TV-180803 – Issuing Permanent Household Goods Permit HG068485

Dear Moving Band LLC:

On September 20, 2018, Moving Band LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On October 30, 2018, the Commission approved the application in part and granted Moving Band LLC temporary authority to provide those services.

The Commission has determined that Moving Band LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG068485 issued in the name of Moving Band LLC is enclosed, and the company may now operate on a permanent basis.

Moving Band LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
