PSE’s Natural Gas Tariff Revision - Filed Electronically**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) submits in connection with Docket UG-200842 the following tariff sheet to replace the sheet that accompanied PSE’s initial October 1, 2020 filing submitted under PSE’s Advice No. 2020-34. This substitute filing includes the following portion of the PSE’s WN U-2, tariff for natural gas service.

3rd Revision of Sheet No. 154-AA: Schedule 54, Attachment A - CNG Pricing Model

The purpose of this substitute filing is to revise the Schedule 54 CNG Pricing Model, which is represented as Attachment A to the schedule, to incorporate short notes about the inputs that have been updated in this filing per the discussions with the Commission staff. The final work paper is attached to this substitute filing.

The tariff sheet described herein reflects an issue date of October 1, 2020, and an effective date of November 1, 2020. Posting of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-90-193(1). No additional public notice is required under the provisions of WAC 480-90-194 or -195. A new Schedule 54 customer will be provided notice of their individual pricing prior to receiving PSE’s gas compression service.
