Re: Docket UT-21009, Revised Advice No. 2021-1 for Frontier Communications Northwest, LLC dba ZiPLY Fiber - Do Not Re-docketFiber

Dear Director Johnson:

The documents furnished to the Commission on January 13, 2021 inadvertently omitted a map for the Arlington Exchange. As a result of the Oso Landslide, Frontier Communications filed a small revision to the Arlington Exchange in Docket UT – 141497 to temporarily re-route traffic that had been in the Arlington Exchange to the Darrington Exchange. Since that time, the network has been restored to its original condition, predating ZiPLY Fiber’s ownership of this property. The Darrington Exchange map contained in this filing correctly depicts the current exchange boundary. Enclosed for filing please find a revised map for the Arlington exchange to be filed in the Frontier Communications Northwest, LLC dba ZiPLY Fiber’s Tariff WN U-7, Exchange Maps tariff as 1<sup>st</sup> Revised Sheet 19, Cancelling Original Sheet 19. This filing is submitted with an effective date of February 5, 2021.

I, Jessica Epley, in compliance with WAC 480-80-123, certify that I have the authority to issue tariff revisions on behalf of Frontier Communications Northwest, LLC dba ZiPLY Fiber. If you have any questions regarding this filing, you may contact me at (503) 431-0458.

Sincerely,

Jessica Epley
