RE: Petition to Request an Exemption from Utilities and Transportation Commission's Insurance Requirements

To whom it May Concern,

Deliveries Without Borders LLC is asking for an exemption to WAC.480-14-250 (1) (a) to accept Prime Insurance Company, as an unauthorized company not listed with WUTC as our auto liability insurance provider. Prime Insurance Company is an active member of the Surplus Lines Association of Washington as an acceptable unauthorized carrier for filling purposes with the NAIC number 12588.

Deliveries Without Borders LLC is hereby formally filling a petition to request an exemption from the State of Washington UTC's insurance requirements. This is necessary due to the non-renewal we received from our previous carrier. Unfortunately, other carriers came back with much higher rates which would jeopardize our ability to do business.

If you need anything further, please do not hesitate to reach out and let me know.

Thank you,

Jose Luis Chavez
