The Washington Utilities and Transportation Commission (Commission) believes that Comcast Cable Communications Management (Comcast or Company) has violated the Revised Code of Washington (RCW) 19.122.030(4)(a) for failing to provide information to an excavator no later than two business days after receipt of notice. RCW 19.122.070(1) states, in part, that violations of any provision of the chapter are subject to a civil penalty of not more than \$1,000 for an initial violation and not more than \$5,000 for each subsequent violation within a three-year period.

The Commission reviewed findings and recommendations made by the Washington State Dig Law Safety Committee (Safety Committee) and hereby notifies you that it is assessing a \$10,000 penalty against you on the following grounds:

On September 22, 2021, the Safety Committee heard the complaint about cases 21-037 against Comcast and determined that Comcast violated RCW 19.122.030(4)(a) for failing to provide information to an excavator no later than two business days after receipt of notice on two (2) occasions. The Safety Committee recommended that the Commission impose a \$5,000 penalty for each violation that occurred on May 18, 2021, and May 26, 2021.

Previously, on September 15, 2021, the Safety Committee heard a Complaint against Comcast for five (5) violations of RCW 19.122.030 occurring between March 5, 2021, and June 23, 2021. The Safety Committee recommended a penalty of \$1,000 per violation for a total recommended penalty of \$5,000.

Commission staff (Staff) agrees with the Safety Committee's findings of probable violation and agrees with the penalty recommendation. Staff based this decision on the following information and investigation.

Staff conducted an investigation that included reviewing documents, reports, and emails submitted by the Safety Committee. These documents identified that on two (2) different

occasions Comcast failed to mark the location of its facilities after locate requests were submitted by the Complainant. During the Safety Committee review, Comcast acknowledged that during its corporate transition it failed to update its maps with the One-Call Center. This error is what caused a failure to locate on these two (2) occasions.

Staff recommends that the Commission assess a \$10,000 penalty against Comcast, \$5,000 for each of the two violations of RCW 19.122.030(4)(a) for failing to provide the excavator with information no later than two business days after receipt of notice.

The Commission agrees with Staff's recommendation and assesses the following:

- \$5,000 for one violation of RCW 19.122.030(4)(a) for failing to provide the excavator with information no later than two business days after receipt of notice on May 18, 2021.
- 5,000 for one violation of RCW 19.122.030(4)(a) for failing to provide the excavator with information no later than two business days after receipt of notice on May 26, 2021.

These facts, if not contested or if proved at a hearing and not rebutted or explained, are sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may deny committing the violation and contest the penalty through evidence presented at a hearing or in writing. Or, if there is a reason for the violation that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of their decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the \$10,000 penalty amount due; or
- Request a hearing to contest the occurrence of the violations; or
- Request mitigation to reduce the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, P.O. Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Lacey, Washington, and effective October 15, 2021.
