RE: Tariff Submittal, Tariff Number 2, American Disposal Co., Inc., d/b/a Vashon Disposal G-87.

Dear Ms. Maxwell:

Our company has been notified that the tipping fee in King County will increase from \$140.82 to \$154.02 per ton, a 9.37% increase, effective January 1, 2022. We project this will increase revenue for residential service by \$17,350 (3.53%); for commercial service by \$14,700 (4.29%); and drop box service by \$4,400 (9.37%) for a 12-month period. There are approximately 2,300 residential, 230 commercial and 10 drop box customers affected by this change. The last general rate increase approved by the Commission was effective January 1, 2019.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective January 1, 2022.

Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at Heather.Garland@WasteConnections.com.

Sincerely,

Pricing Manager
