RE: Tariff Revision, Tariff Number 27, Murrey's Disposal Co., Inc. G-9, "Disposal Fee-Only" Filing

Dear Ms. Maxwell:

Our company has been notified that the tipping fee in Pierce County will decrease from \$168.51 to \$166.45 per ton, a 1.22% decrease, effective March 1, 2022. We project this will decrease revenue and expense for residential service by \$97,000 (.58%); multi-family services by \$13,000 (.55%), commercial services by \$41,000 (.67%); and drop box service by \$60,000 (1.22%); for a 12-month period. There are approximately 64,000 residential, 2,900 multi-family, 1,800 commercial and 300 drop box customers affected by this change.

The last general rate increase approved by the Commission was effective January 1, 2019.

Attached are the tariff pages as well as supporting documentation for the increased rates. Tonnage and customer counts used in this calculation are from the audited workpapers of the last general rate case, TG-180953.

We are submitting this filing under the provisions of WAC 480-70-262 – 'Tariffs Requiring Seven-Day Notice to the Commission,' because the proposed rates are decreasing. If the Commission approves this filing, we respectfully request this filing become effective March 1, 2022.

Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the first billing reflecting the revised rates.

If you have any questions regarding this filing, please contact Heather Garland at (360) 695-4923, or via e-mail at Heather.Garland@WasteConnections.com.

Sincerely,
