Re: UW-220260, Tariff revision request 1

Dear Ms. Maxwell,

The following addresses comments and corrections proposed by staff via an email dated April 13, 2022. Attached you will find the revised tariff pages First Revision of Sheet No. 23 Canceling Original Sheet No. 23 WN U-2. On April 13 the company submitted those modifications without the Cover Letter as required by Washington Administrative Code (WAC) 480-07-140 (4). This cover letter corrects the original deficiency by providing the required documentation.

Again, the purpose of this filing is to update pass-through water system facilities charges for the Lower Water System (DOH ID# 019595) and to respond to staff input regarding the tariff sheets submitted on April 12.

Mr. Jason Dorland has the authority to issue tariff pages on behalf of the company and the undersigned has the authority to file those tariff pages on behalf of the company.

The company respectfully requests that the Commission approved the filed revised tariff sheet. If you have any questions concerning this matter, please contact the undersigned.

Sincerely,

Sara Dorland

Finance Manager
