Executive Director and Secretary Amanda Maxwell,

Docket TE-220873 Order 01

I just received Docket TE-220873 Order 01 canceling my Carter and Excursion Carrier Certificates (ES-62 & CH389) held by my company Scenic Bound Tours Co.

I would like to request the Commission to review the order because of the following extenuating circumstances.

- All notices have gone to an email no longer in use JeanaP@ToursNW.com who I let go for theft in Jan. of 2022. Unfortunately, the email was not updated in your system.
- I received no notice by mail or any other mode until I received this letter dated 2/7/23 was received.
- I have been in business and in good standing with the WUTC for 32 years
- I will be filing my annual report and paying my fees tonight.

Thank you very much for your consideration and I look forward to hearing from you soon.

Sincerely,

Dan M Malmanger/Pres.
