Re: Sale of Assets of Noel Communications, Inc.

To Whom It May Concern:

This letter is to notify the Washington Utilities and Transportation Commission (the "Commission") that Wholesail Networks LLC, a Washington limited liability company ("Wholesail") purchased substantially all of the assets and related business operations of Noel Communications, Inc. ("Noel") on December 19, 2019 (collectively, the "Transaction").

Pursuant to RCW 80.12.045, the parties did not seek consent from the Commission for the Transaction because Noel was a local exchange company that served less than 2% of the access lines in Washington.

In connection with the Transaction, Wholesail would like to request that the Commission update its CLEC listing to replace Noel with Wholesail.

If the Commission has any questions or requires any additional information, please don't hesitate to contact me at [john.vanoppen@wholesailnetworks.com](mailto:john.vanoppen@wholesailnetworks.com) or 206-437-1165.

Sincerely,

Wholesail Networks LLC
