Docket No. UE-230141

Dear Ms. Maxwell,

Avista Corporation, dba Avista Utilities (Avista or Company), submitted its annual tariff revisions to its Schedule 51 “Line Extension, Conversion and Relocation” tariff on March 1, 2023 with an effective date of May 1, 2023. After consultation with Commission Staff, it was discovered that the Company had in inadvertent error in a comparison table in the cover letter accompanying the original filing. The incorrect number was related to the present Developer Refundable Payment which was stated as \$2,070 in the original cover letter. The present Developer Refundable Payment number should have stated \$1,612. Please see the full corrected table for a residential development below reflecting the corrected present Developer Refundable Payment number:

Residential Developments

	<u>Present</u>	<u>Proposed</u>
Total Cost per Lot	\$ 2,070	\$ 2,947
Less: Service Cost	\$ 458	\$ 572

Developer Refundable Payment	\$ 1,612	\$ 2,375

This incorrect number was only contained in the original cover letter. The tariffs and customer notice accompanying the original filing reflected the correct number and were not impacted by this error.

Please direct any questions on this matter to Tia Benjamin at (509) 495-2225 or Joe Miller at (509) 495-4546.

Sincerely,

/s/ Joe Miller
