RE: Tariff Submittal, Tariff Number 11, Yakima Waste Systems, Inc. G-89.

Dear Ms. Maxwell:

Our company has been notified by Yakima County that the tipping fee in Yakima County will increase from \$36.68 to \$42.42 per ton a 15.65% increase, effective June 1, 2023. We project this will increase revenue for residential service by \$76,650 (2.88%); for commercial service by \$238,000 (4.21%); and drop box service by \$251,560 (15.79%) for a 12-month period. There are approximately 17,900 residential, 10,500 commercial and 400 drop box customers affected by this change. The last general rate increase approved by the Commission was effective August 1, 2022.

Upon review of the Tariff it was discovered that Item 275 stated an incorrect for Unlatching and Unlocking at \$3.00. With this filing we have updated the rate to the approved \$2.98. No customers were impacted by this rate.

Attached are revised tariff pages and supporting documentation containing the revised rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective June 1, 2023. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

If you have any questions regarding this filing, please contact me at (360) 566-6925, via email at [Brian.vandenburg@wasteconnections.com](mailto:Brian.vandenburg@wasteconnections.com).

Sincerely,
