Subject: Waste Management of Spokane, a division of Waste Management of Washington, Inc. (G-237); Tariff # 18

Dear Ms. Maxwell:

We recently filed a tariff revision for the commodity rebate/credit for WM of Spokane. Upon further review, we noticed our workpapers contained clerical errors related to the number of tons collected in WM of Spokane. We are formally requesting permission to withdraw our filing, docketed under TG-230491, from review and will plan to adjust the workpapers and refile with an LSN.

If you have any questions or need additional information, please contact me at (503) 334-9646.

Very truly yours,

Evan Burmester
