WN U-2

Washington Water Supply, Inc.

For Commission Receipt Stamp

Schedule #5

Cost Recovery Surcharge

AVAILABILITY

This schedule is available for the service area identified as the Echo Glen water System served by Washington Water Supply, Inc. and at the Utility’s option and capability to maintain Department of Health standards for potable water quantity and quality.

APPLICABLE

Applicable to any connection or customer of the Utility served by the Echo Glen water System DFI #27510D.

CONDITIONS

The charge for this service is not subject to cancellation for temporary periods. The surcharge will be billed monthly for this class of service and will be in addition to other charges as provided in this Tariff.

PURPOSE

This Surcharge is to fund the repayment cost Washington Water Supply, Inc. has incurred due to the need of trucking in water to the Echo Glen Water System to maintain water quality and quantity to consistently meet Department of Health drinking water standards.

This charge is to expire August 15, 2024 or sooner costs are recovered for trucking of water into the system.

MONTHLY CHARGE

RATE

\$60
