To whom it my concern,

Northport Limestone, Division of Hemphill Brothers Inc., would like Sphuler Inc. to take over the local garbage business not Sunshine Disposal. We are very happy with our local garbage company and know Sphuler Inc. will continue providing great local service.

Thank you,

Sean Lyng

Supervisor

To Whom It May Concern,

This letter is about the garbage service in the Town of Northport, Washington. I currently have a garbage account at both my home and my business inside the Town limits. Since the current service (Lamb's Disposal) has been sold, I would like to express my desire for Sphuler Inc. to take over all my services and not Sunshine Disposal.

Please feel free to contact me should you have questions.
