RE: Sound Disposal Holdings, Inc. dba Sound Disposal, Inc., G-82, Tariff 13, Commodity Adjustment filing

Dear Ms. Maxwell:

Sound Disposal Holdings, Inc. dba Sound Disposal, Inc. (G-82) seeks to adjust its commodity rates due to volatile processing expenses incurred over the last six months. The company is requesting less than statutory notice for this filing with an effective date of October 1, 2023.

Enclosed are an LSN order, supporting workpapers and backup cost information; as well as revised tariff pages: Check Sheet – page 1; Item 100 Residential Service - page 21, and Item 105 Multi-Family Service - page 31.

This filing proposes the following changes to the commodity rate:

Commodity Rate – credit/(debit)			
	Current Rate	Proposed Rate	Difference
Residential Recycling	(3.69)	(2.81)	(0.88)
Multi-Family Carts	(0.85)	(0.65)	(0.20)
Multi Family Containers	(1.49)	(2.80)	1.31

If the Commission approves this filing, the company's overall revenue and costs will increase by approximately 1.8 percent, or \$34,500.

The Company will notify customers of these changes on the next billing under the provision of 480-70-271(2)(a)(iii).

If there are any questions, please call or email me.

Yours truly,

Weldon Burton
